

'Tour de Wharekauhau'

Sunday 27 Nov - Wednesday 30 Nov 2022

The inaugural Tour de Wharekauhau is coming!

Brush off the Winter chills and settle into the saddle for a springtime celebration of cycling.

Days start with breakfast at your leisure, followed by pre-ride discussions and stretching. The team have daily mid-morning to early afternoon planned and managed rides along some of the Wairarapa's iconic backroads, with destination lunches each day. The rides have been mapped out to cater for beginner through to medium level riders, with the main daily tours being 2.5-3 hours in cycle-time.

Each evening concludes with a long-table dinner with a different partner vineyard, hosted by our Sommelier. There will be a final night special dinner including live music as a reward for all that time in the saddle!
