Special Gifts for Guests

“Some gifts are big. Other are small. But the ones that come from the heart is the best gift at all.”

-Tinku Razoria

Why not surprise and delight your friends, family, clients, or that special someone in your life that may be staying at the lodge. We have crafted a menu of items, and experiences that are perfect for making someone's stay that extra little bit special!

We can present your gift personally at an opportune time with a handwritten card from you.

We can arrange any of these gifts and are also more than happy to chat through any other thoughts you may have had. Due to our remote location, we do ask, in a few cases, to give us at least 72 hours' notice. Please contact reservations to start your planning.
