BOOKINGS ESSENTIAL

Wharekuahua's Hauora Spa

For over a century Wharekauhau has been regarded as much more than a lodge or farm. The lands uniqueness has captivated and inspired those that have experienced it. It is a place where thunderous Pacific waves meet black sand beaches... where mountains seem to rise out of the ocean and kiss the clouds... where such dramatic surrounds can influence healing, self confidence and provide a distinct sense of place and calm.

Hauora, (pronounced; Ho-ore-a), is a Māori philosophy of total health & well-being. We believe it pays great tribute to the people and energy of the land, past and present. The Hauora concept consists of four dimensions :

| | |
|----------------|---|
| Taha Tinana | <i>Physical wellbeing</i> |
| Taha Hinengaro | <i>Mental & emotional wellbeing</i> |
| Taha Whānau | <i>Social wellbeing</i> |
| Taha Hinengaro | <i>Spiritual wellbeing</i> |

Foley Vine Body & Soul

We cannot live in a famous wine region and not have a treatment dedicated to the natural skincare qualities of the humble grape. We have developed a treatment package that focuses on grape seed oil, grape extract, and actual full crushed grapes to ensure we bring you the maximum benefits.

Grapeseed exfoliation, followed by a crushed grape mask, and facial, and finished with a full body massage leaving your skin refreshed.
